

Sadananda Banerjee

Kolkata , West Bengal | <https://www.linkedin.com/in/sadanandabanerjee27/>
<https://github.com/BootHacker01>

Objective

To pursue a dynamic career in academia as a lecturer/assistant professor and researcher, where I can apply my strong foundation in Computer Science, industry experience, and ongoing M.Tech in Information Technology to contribute to knowledge development, guide students, and engage in impactful research in emerging technological domains.

Education

Maulana Abul Kalam Azad University of Technology, M.Tech in Information Technology Sept 2024 – Now

- CGPA: 8.29/10.0 (Upto 3rd Sem)
- **Coursework:** Advanced Data Structure, Soft Computing , Operating System , AI & ML.

Modern Institute of Engineering And Technology, B.Tech in Computer Science and Engineering Aug 2019 – June 2023

- DGPA: 8.95/10
- **Coursework:** Computer Architecture, Data Structure , Operating Systems , Computer Networks , Theory of Computation ,DBMS.

Burdwan C.M.S High School, Higher Secondary in Science May 2019

- Marks: 72.2/100
- **Coursework:** Physics , Chemistry , Mathematics , computer application.

Burdwan C.M.S High School, Secondary Examination May 2017

- Marks: 78.28/100
- **Coursework:** Bengali , English , Physical Science , Mathematics , Life Science , History , Geography.

Experience

Junior Software Engineer, Keross Research and Development Center – Kolkata , West Bengal Sept 2023 – May 2024

- Promoted to Junior Software Engineer after successful completion of internship at Keross R&D.
- Contributed to the “HCM – Human Capital Management” project as a backend developer, focusing on scalable business logic and API development.
- Gained hands-on experience in server-side development, database handling, and enterprise-level software deployment.

Software Engineer Trainee, Keross Research and Development Center – Kolkata , West Bengal March 2023 – Aug 2023

- Completed a 6-month Software Engineer Trainee program at Keross, gaining hands-on experience in software development.
- Worked on frontend technologies including HTML, CSS, Bootstrap, jQuery, and JavaScript.
- Collaborated with the development team to build and enhance user interfaces for web-based applications.

Publications

- **A New Approach to Secure Image Information using Modified DNA Sequence and Chaos-Based Image Cryptosystem Architecture** May 2024
Sanjit Mazumder, *Sadananda Banerjee*
DOI: 10.55041/ISJEM01815
- **Comparative Analysis of Encrypted (VPN) and Unencrypted (Non-VPN) Traffic Classification Using AI Models** Jan 2026
Sadananda Banerjee , Agatha Mukherjee , Chanchal Patra , Debasis Giri and Tanmoy Mitra
Conference Presented, Second International Conference on Intelligent Systems and Security (ICISS 2026)

Projects

Face Recognize Based Attendance System

- The system captures real-time images via webcam, detects and recognizes faces using OpenCV and Python-based face recognition libraries, and logs attendance with timestamps. It ensures contactless, efficient, and proxy-free attendance tracking. A simple GUI and database integration allow for seamless record management. This project highlights practical skills in Python, computer vision, and AI application development.
- Tools Used: Python , OpenCV , numpy , pandas.

Intrusion Detection System (IDS) using Hybrid Model

- TO detect different type of attacks , using Bi-LSTM and XGBoost model to detect attacks from networks. Used CICIDS and UNSW dataset to trained models where XGBoost for feature extraction and Bi-LSTM for network traffic filtering.

Technologies

Languages: C, Java, JavaScript , SQL , Python ,Jquery.

Technologies: VS code , ,Jupiter, Google Colab,Overleaf.

Achievements

- **Gate 2026** : Score : 383 , AIR : 21411
- **Leetcode** : 400+ problem solved.
- **Google Cloud Skills Boost – Third Milestone Achiever** : Completed 30 Quests and 15 Skill Badges, earning the "Cloud Rockstar" title under the #GoogleCloudReady campaign (Google Cloud Platform).

Declaration

I , Sadananda Banerjee, hereby declare that all the information provided in this resume is true to the best of my knowledge and belief.
